

## Online Banking Service Agreement and Electronic Disclosure

Effective Date: April 6, 2011

Update Date: August 1, 2016

### **I. General Description of Online Banking Service Agreement**

#### **A. Definitions**

“Lowry State Bank”, “we”, “us”, or “our” refers to Lowry State Bank, and “you” and “your” refers to each depositor, borrower, authorized signer, or authorized user for an account with Lowry State Bank.

#### **B. What This Agreement Covers**

This Agreement between you and Lowry State Bank governs the use of Online Banking services. These services permit Lowry State Bank customers (consumers, sole proprietorships and other business customers) to perform a number of banking functions on accounts linked to the service through the use of a personal computer. Unless indicated otherwise by the context, "linked Lowry State Bank accounts" or "linked accounts" refers to all of your accounts with Lowry State Bank or its affiliates that you have linked to Online Banking. You may not perform withdrawals or transfers from linked accounts that require two or more signatures for such withdrawals or transfers.

#### **C. Accepting the Agreement**

When you use any of the Online Banking services described in this Agreement, or authorize others to use them, you agree to the terms and conditions of the entire Agreement.

#### **D. Relation to Other Agreements**

Your use of Online Banking services may also be affected by the agreements between us for your linked Lowry State Bank accounts. When you link an account to Online Banking services, you do not change the agreements you already have with us for that account. For example, when you use Online Banking services to access a loan account, you do so under the terms and conditions we gave you in the agreement and disclosure for the loan account. You should review those agreements for any applicable fees, for limitations on the number of transactions you can make, and for other restrictions that might impact your use of an account with Online Banking services.

#### **E. User ID and Password**

**ID and Password; Confidentiality of Password.** All Lowry State Bank Online Banking transactions or inquiries must be initiated by use of your Lowry State Bank Online Banking Identification (User ID) and Password. When an application for Online Banking is received, you will receive an email with login procedures. During the first initial logon session, you are required to establish a group of security questions and answers that you will be presented from time to time as an extra level of validation. Going forward, passwords for Lowry State Online Banking can be changed online at any time. Online passwords are case sensitive and must be at least 9 characters, including a minimum of 2 Numeric Characters, 0 Uppercase Characters, 6 Lowercase Characters and 1 Special Character and password cannot contain your Name or User ID. We recommend that you change your Password frequently to prevent unauthorized use of your account. It is recommended that you do not use your social security number, birthdays, names, or other codes that may be easy for others to determine as your Password.

**YOU AGREE TO KEEP YOUR PASSWORD CONFIDENTIAL. USE OF THE PASSWORD BY YOU OR BY ANY OTHER PERSON WITH YOUR AUTHORIZATION WILL BE CONSIDERED THE SAME AS YOUR WRITTEN SIGNATURE AUTHORIZING US TO COMPLETE ANY TRANSACTION OR REQUEST COMMUNICATED THROUGH LOWRY STATE BANK ONLINE BANKING.**

If you authorize another person to use your Password, that person can use Lowry State Bank Online Banking to view any information or initiate any transaction on any of the accounts to the same extent as you, including viewing information or initiating transactions on accounts to which that person does not otherwise have access. As such, your sharing of your Password is strongly discouraged by the Bank, and done at your own risk.

If a third party should gain access to your Password, you alone are responsible for changing the Password so as to deny the third party's access to your banking information. Given the electronic nature of these transactions, the Bank shall have no liability to you in the event a third party should gain access to your Password through no fault of the Bank.

You should always exit Lowry State Bank Online Banking after you finish viewing your accounts. Never leave your computer unattended while accessing Lowry State Bank Online Banking. If you do, a third party may be able to access your accounts from your terminal, without ever needing to use your Password.

## **II. Online Banking Services**

### **A. Online Banking for Consumers and Businesses**

You may use Online Banking to:

- Transfer funds between your linked Lowry State Bank accounts on either a one-time or recurring basis, including a payment to a linked installment loan or mortgage
- View current balance information for your linked Lowry State Bank accounts
- Review available transactions for your linked accounts
- Perform self-service account maintenance and change your User ID and Internet Password

Some of the above services may not be available for certain accounts or customers.

**Security:** Lowry State Bank Online Banking transmits data using SSL (Secure Socket Layer) technology that supports 128-bit key encryption. If your browser does not support 128-bit encryption, you will not be able to access Online Banking. The Lowry State Bank web server does not connect directly to the Internet. It is buffered from the Internet through the use of firewalls and a service provider interface. All access from outside the bank must go through these firewalls, which screens the requests and allows only valid http traffic to reach the server.

**Hardware and Software Requirements.** To be able to use Online Banking, you must provide your own personal computer with Internet access. Online Banking can be accessed through a basic web browser like Microsoft Internet Explorer and should always have the latest version (See Security above for encryption requirements.) You should also have current appropriate anti-virus and spyware software. You are and will remain solely responsible for the purchase, hook-up, installation, loading, operation, and maintenance of your own personal computer and for all related costs. You are solely responsible for scanning the Hardware and the Software for computer viruses and other related problems before you use them.

### **B. Bill Pay Services**

In addition to the Online Banking features listed above, if you are a Lowry State Bank customer with a deposit account you may also:

  - Each alert has different options available, and you will be asked to select from among these options upon activation of your alerts service.
2. Account Alerts are subject to the following.
  - Electronic alerts will be sent to the email address you have provided as your primary email address for Online Banking. If your email address changes, you are responsible for informing us of that change. You can also choose to have alerts sent to a secondary email address. Changes to your primary and secondary email addresses will apply to all of your alerts.
  - You understand and agree that your alerts may be delayed or prevented by a variety of factors. We do our best to provide alerts in a timely manner with accurate information. We neither guarantee the delivery nor the accuracy of the contents of any alert. You also agree that we shall not be liable for any delays, failure to deliver, or misdirected delivery of any alert; for any errors in the content of an alert; or for any actions taken or not taken by you or any third party in reliance of an alert.
  - Because alerts are not encrypted, we will never include your Password or full account number. However, alerts may include your name and some information about your accounts. Depending upon which alerts you select, information such as your account balance or the due date for your loan payment may be included. Anyone with access to your email will be able to view the contents of these alerts.

If you initiate any transfer of funds or Bill Pay through your Online Banking services after the effective date of a change, you indicate your agreement to the change.

You may cancel your service at any time by notifying us of your intent to cancel in writing, through Online Banking secure mail, or by calling Online Banking customer service at 320-283-5149. If you subscribe to e-Bills service, we may also use external email to notify you that you have new bills. We cannot act on instructions sent by you from an external email address. (For information on these accounts, see the applicable account agreement.) Each transfer or payment through the Online Banking services from your money market account is counted as one of the six (6) limited transfers you're permitted each statement period. Payments to your Lowry State Bank loans are counted toward this limit for money market accounts.

In case of an error or question about your electronic transactions, send us a secure Internet mail message or call us at 320-283-5149. You may also write us at:

Lowry State Bank  
P.O. Box 123  
Lowry, MN 56349

Contact us immediately if you think:

- Your statement or transaction record is wrong
- You need more information about a transaction listed on your statement
- An unauthorized person has discovered your Online Banking Password
- Someone has transferred or may transfer money from your account without your permission
- Bill Pay transactions have been made without your authorization

We must hear from you no later than 60 days after we have sent the FIRST statement on which the problem or error appeared (or 90 days if the problem or error relates to a Bill Pay from an account maintained at another financial institution).

If you tell us verbally, we may require you to send us your complaint or question in writing or via email within ten (10) bank business days (Online Banking customers may use secure Internet mail). When you contact us, please provide the following information:

- Your name and account number
- The date and dollar amount of the transaction in question
- The name of the payee if the transaction in question is a payment
- The transaction number assigned by Online Banking, if available
- A description of the transaction about which you are unsure

Please explain as clearly as you can why you believe there is an error or why you need more information.

We will tell you the results of our investigation within 10 bank business days (5 bank business days for Mastercard®-branded card point-of-sale transactions and 20 bank business days if the transfer involved a new account) after we hear from you, and we will promptly correct any error we have made. If we need more time, however, we may take up to 45 bank business days (90 bank business days if the transfer involved a new account, a point-of-sale transaction or a foreign-initiated transfer) to investigate your complaint or question. In this case, we will provisionally credit your account within 10 bank business days (5 bank business days for Mastercard®-branded card point-of-sale transactions and 20 bank business days if the transfer involved a new account) for the amount you think is in error, so that you have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing, and we do not receive your letter in 10 bank business days, we reserve the right not to provisionally credit your account.

If we conclude there was no error, we will send you a written explanation within three (3) bank business days after we complete our investigation. You may request copies of the documents that we used in our investigation.

**B. Limitation of Liability**

If we do not complete an electronic fund transfer to or from an account in a reasonable amount of time or in the correct amount according to our agreement with you, we will only be liable for your direct losses or actual damages, except in the following instances:

- If, through no fault of ours, you do not have enough money in the account (or any linked account) to make the electronic fund transfer or the electronic fund transfer would go over the credit limit on the account.
- If you have not completely and properly followed the terms of this Agreement or instructions provided regarding how to make an electronic fund transfer or the data or instruction transmitted via Lowry State Bank Online Banking are inaccurate or incomplete.
- If any part of the Lowry State Bank Online Banking system was not working properly and you knew about the breakdown when you started your electronic fund transfer.
- If circumstances beyond our control prevent or delay the electronic fund transfer, despite reasonable precautions that we have taken.
- If your funds are subject to legal proceeding or if any other claim restricts the transaction.
- If your Password has been reported lost or stolen or if we have any other reason to believe that an electronic fund transfer may be erroneous or unauthorized.
- If you, any joint holder, or an authorized cosigner on a Deposit Account has requested that we stop payment of the electronic fund transfer.
- If you have exceeded the limitations on the number of withdrawals or transfers allowed during the statement period for the type of Deposit Account you have with us (e.g., certain types of savings accounts, including money market deposit accounts).
- If the Deposit Account has been closed.

To the fullest extent permitted by applicable law, you agree that we will have no liability whatsoever for any loss, damage, or claim arising out of any delay or failure in the performance of any Lowry State Bank Online Banking service in accordance with the terms of this Agreement, including but not limited to, that resulting from our negligence. Our duties and responsibilities to you are strictly limited to those described in this Agreement, except with respect to any provisions of the law applying to electronic fund transfers that cannot be varied or waived by agreement. In no event will the Bank be liable for any consequential, special, or punitive damages or for any indirect loss that you may incur or suffer in connection with the service (even if we have been informed of the possibility of such damages), including, without limitation, attorneys fees. The Service Provider is an Independent contractor and not our agent. Our sole duty shall be to exercise reasonable care in the initial selection of the Service Provider. YOU ACKNOWLEDGE THAT NO EXPRESS OR IMPLIED WARRANTY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS OR A PARTICULAR PURPOSE, IS MADE BY LOWRY STATE BANK WITH RESPECT TO ANY LOWRY STATE BANK ONLINE BANKING SERVICE OR THE SOFTWARE, AND LOWRYSTATE BANK HEREBY DISCLAIMS ALL SUCH WARRANTIES. The only warranties are those provided by the licensor of the Software and set forth on the Software package. To the fullest extent permitted by applicable law, and without limiting the generality of the foregoing, we shall not be liable at any time to you or any other person for any loss, charge, fee, penalty, expense or other damage resulting from any failure or delay of the performance of our responsibilities under this Agreement which is caused or occasioned by any act or thing beyond our reasonable control, including, without limitation, legal restraint, interruption of transmission or communication facilities, equipment failure, electrical or computer failure, war, emergency conditions, acts of God, fire, storm, or other catastrophe, or inability to obtain or delay in obtaining wire services or Internet access, or refusal or delay by the Service Provider or another bank or financial institution to execute any bank transfer or stop payment. In addition, we shall be excused from any failure or delay in executing a bank transfer or stop payment, if such execution would result in the violation of any applicable state or federal law, rule, regulation or guideline. To the fullest extent permitted by applicable law, you agree that we shall not have any liability whatsoever for any loss caused by the act, error, or omission of you or any other person, including, without limitation, the Service provider. Any Internet access service provider, any federal reserve bank or transmission or communications facility or any intermediary or receiving financial institution and no such person shall be deemed our agent.

#### **Indemnification**

Except to the extent of our liability pursuant to the terms of this Agreement or any other agreement or notice that otherwise governs your Account, you agree to indemnify and hold us, our directors, officers, employees and agents harmless from any and all loss, liability, claims, demands, judgments and expenses (including attorney's fees) arising out of, or in any way connected with, your use or misuse of Online Banking Service. This indemnification is provided by you without regard to whether our claim for indemnification is due to the use of Online Banking Service by you, or your Authorized Representative.

Tell us at once if you believe your Online Banking Password has been compromised or if someone has transferred or may transfer money from your account without your permission. The best way to minimize your loss is to call us immediately. The unauthorized use of your Online Banking services could cause you to lose all of your money in your accounts, plus any amount available under your overdraft protection.

You will have no liability for unauthorized transactions if you notify us within 60 days after the statement showing the transaction has been mailed to you (or 90 days if the transaction was from an account maintained at another financial institution). If you do not, you may not get back any of the money you lost from any unauthorized transaction that occurs after the close of the 60-day period (or 90 days if the transaction was from an account maintained at another financial institution), if we can show that we could have stopped the transaction if you had notified us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we may extend the time periods.

When you give someone your Online Banking User ID and Password, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. If you notify us that the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized.

Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions.

For your protection, sign off after every Online Banking session and close your browser to ensure confidentiality.

## **VI. Additional Provisions Applicable Only to Business Accounts (other than Sole Proprietorships)**

### **A. Protecting Your Password**

You agree that we may send notices and other communications, including Password confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual. You further agree that Lowry State Bank will not be responsible or liable to you in any way if information is intercepted by an unauthorized person, either in transit or at your place of business. You agree to: 1) keep your password secure and strictly confidential; and 2) immediately notify us and select a new password if you believe your password may have become known to an unauthorized person. Lowry State Bank **will have no liability to you for any unauthorized payment or transfer made using your password that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice.** We may suspend or cancel your password even without receiving such notice from you, if we suspect your password is being used in an unauthorized or fraudulent manner.

### **B. Acknowledgment of Commercially Reasonable Security Procedures**

By using Online Banking, you acknowledge and agree that this Agreement sets forth security procedures for electronic banking transactions that are commercially reasonable. You agree to be bound by instructions, whether authorized or unauthorized, which we implement in compliance with these procedures, unless you have given us prior notice of possible unauthorized use as described above (and we had a reasonable opportunity to act on such notice).

The Online Banking Cash Management Service utilizes a comprehensive security strategy to protect your accounts and transactions conducted over the internet. You will be designated as an administrator (“Administrator”) for all accounts covered by this Agreement. During the first initial logon session, you are required to establish a group of security questions and answers that you will be presented from time to time as an extra level of validation. Going forward, passwords for Lowry State Online Banking can be changed online at any time. Online passwords are case sensitive and must be at least 10 characters, including at least 7 alpha, 2 numeric, and 1 symbol. We recommend that passwords be changed regularly.

You agree to comply with the following security procedures. You acknowledge that the security procedures are for verification of authenticity and not to detect errors in transactions. You warrant that no Authorized Representative will be allowed to initiate transfers without proper supervision and safeguards and agree to take all reasonable steps to maintain confidentiality of the security procedures and any related security features. If you know, become aware, or believe that an unauthorized individual has transacted or attempted to transact on your behalf or that the security procedures have otherwise been compromised, you agree to immediately notify Lowry State Bank and agree that any transaction made before or within a reasonable time after such notice to Lowry State Bank shall be treated as authorized by you.

You agree to designate Authorized Representatives to act on your behalf, who shall have the authority to authorize all actions necessary in the use of Lowry State Online Business Banking. You agree that Lowry State Bank shall not be under a duty to inquire as to the authority or propriety of any transaction made by your Authorized Representative.

Lowry State Bank shall be entitled to act upon the instructions of any person whom Lowry State Bank reasonably believes to be your Authorized Representative, whether or not you have authorized such instructions. Lowry State Bank shall not be liable for any loss, cost, expense or other liability arising out of any such instructions.

You agree that Lowry State Bank may send notices and other communications, including USER I.D. AND PASSWORD(S) to the current address shown in Lowry State Bank's records for each authorized user. You agree to implement and comply with Lowry State Bank's password and secure access requirements. You further agree that Lowry State Bank will not be responsible or liable to you in any way if information is intercepted by an unauthorized person, either in transit or at the your place of business. You agree to: (1) keep your password(s) secure and strictly confidential, providing password(s) only to Authorized Representatives on the your account(s); (2) instruct each person to whom you give a password(s) that he or she is not to disclose it to any one else; and (3) immediately notify Lowry State Bank and select a new password if you believe a password may have become known to an unauthorized person.

LOWRY STATE BANK WILL HAVE NO LIABILITY TO YOU FOR ANY UNAUTHORIZED PAYMENT OR TRANSFER MADE USING YOUR PASSWORD(S) THAT OCCUR BEFORE YOU HAVE NOTIFIED LOWRY STATE BANK OF POSSIBLE UNAUTHORIZED USE AND LOWRY STATE BANK HAS HAD A REASONABLE OPPORTUNITY TO ACT ON THAT NOTICE. Lowry State Bank may suspend or cancel your Online Banking even without receiving such notice from you, if Lowry State Bank suspects a password is being used in an unauthorized or fraudulent manner.

### **C. Limitation of Bank's Liability**

Our liability to you is limited to the extent stated in any other Account and/or loan agreements, notices, and disclosures that are separately provided to you from time to time regarding your Accounts and/or this Agreement. This section explains the complete extent of our liability to you only to the extent that it has not been separately disclosed to you by any of these agreements, notices, or disclosures.

If we do not complete an electronic fund transfer to or from an account in a reasonable amount of time or in the correct amount according to our agreement with you, we will only be liable for your direct losses or actual damages, except in the following instances:

- If, through no fault of ours, you do not have enough money in the account (or any linked account) to make the electronic fund transfer or the electronic fund transfer would go over the credit limit on the account.
- If you have not completely and properly followed the terms of this Agreement or instructions provided regarding how to make an electronic fund transfer or the data or instruction transmitted via Lowry State Bank Online Banking are inaccurate or incomplete.
- If any part of the Lowry State Bank Online Banking system was not working properly and you knew about the breakdown when you started your electronic fund transfer.
- If circumstances beyond our control prevent or delay the electronic fund transfer, despite reasonable precautions that we have taken.
- If your funds are subject to legal proceeding or if any other claim restricts the transaction.
- If your Password has been reported lost or stolen or if we have any other reason to believe that an electronic fund transfer may be erroneous or unauthorized.
- If you, any joint holder, or an authorized cosigner on a Deposit Account has requested that we stop payment of the electronic fund transfer.
- If you have exceeded the limitations on the number of withdrawals or transfers allowed during the statement period for the type of Deposit Account you have with us (e.g., certain types of savings accounts, including money market deposit accounts).
- If the Deposit Account has been closed.

To the fullest extent permitted by applicable law, you agree that we will have no liability whatsoever for any loss, damage, or claim arising out of any delay or failure in the performance of any Lowry State Bank Online Banking service in accordance with the terms of this Agreement, including but not limited to, that resulting from our negligence. Our duties and responsibilities to you are strictly limited to those described in this Agreement, except with respect to any provisions of the law applying to electronic fund transfers that cannot be varied or waived by agreement. In no event will the Bank be liable for any consequential, special, or punitive damages or for any indirect loss that you may incur or suffer in connection with the service (even if we have been informed of the possibility of

such damages), including, without limitation, attorneys fees. The Service Provider is an Independent contractor and not our agent. The Bank's sole duty shall be to exercise reasonable care in the initial selection of the Service Provider. YOU ACKNOWLEDGE THAT NO EXPRESS OR IMPLIED WARRANTY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS OR A PARTICULAR PURPOSE, IS MADE BY LOWRY STATE BANK WITH RESPECT TO ANY LOWRY STATE BANK ONLINE BANKING SERVICE OR THE SOFTWARE, AND LOWRY STATE BANK HEREBY DISCLAIMS ALL SUCH WARRANTIES. The only warranties are those provided by the licensor of the Software and set forth on the Software package. To the fullest extent permitted by applicable law, and without limiting the generality of the foregoing, we shall not be liable at any time to you or any other person for any loss, charge, fee, penalty, expense or other damage resulting from any failure or delay of the performance of our responsibilities under this Agreement which is caused or occasioned by any act or thing beyond our reasonable control, including, without limitation, legal restraint, interruption of transmission or communication facilities, equipment failure, electrical or computer failure, war, emergency conditions, acts of God, fire, storm, or other catastrophe, or inability to obtain or delay in obtaining wire services or Internet access, or refusal or delay by the Service Provider or another bank or financial institution to execute any bank transfer or stop payment. In addition, we shall be excused from any failure or delay in executing a bank transfer or stop payment, if such execution would result in the violation of any applicable state or federal law, rule, regulation or guideline. To the fullest extent permitted by applicable law, you agree that we shall not have any liability whatsoever for any loss caused by the act, error, or omission of you or any other person, including, without limitation, the Service provider. Any Internet access service provider, any federal reserve bank or transmission or communications facility or any intermediary or receiving financial institution and no such person shall be deemed our agent.

Except to the extent of our liability pursuant to the terms of this Agreement or any other agreement or notice that otherwise governs your Account, you agree to indemnify and hold us, our directors, officers, employees and agents harmless from any and all loss, liability, claims, demands, judgments and expenses (including attorney's fees) arising out of, or in any way connected with, your use or misuse of Online Banking Service. This indemnification is provided by you without regard to whether our claim for indemnification is due to the use of Online Banking Service by you, or your Authorized Representative.

Tell us at once if you believe your Online Banking Password has been compromised or if someone has transferred or may transfer money from your account without your permission. The best way to minimize your loss is to call us immediately. The unauthorized use of your Online Banking services could cause you to lose all of your money in your accounts, plus any amount available under your overdraft protection.

## **VII. Additional Services Intended for Businesses**

### **A. Creating and Managing Users**

You may add additional users to your Online Banking access and provide each with a separate User ID and password. You may also designate another user as an Administrator, which means that this user will also be able to designate additional users. You agree that, by granting access, you will be allowing a user to transfer funds, perform account maintenance and view account transactions for the linked account. Inquiry access allows a user to view account transactions only. If you no longer are a person authorized on the signature card for each linked account to designate signers for each such account, the business has the obligation to inform Lowry State Bank of the new individual or individuals with such authority. Such notice must be given separately from any other notices given to other Lowry State Bank departments by calling us at 320-283-5149. You may also write us at:

Lowry State Bank  
P.O. Box 123  
Lowry, MN 56349

**Lowry State Bank will have no liability to you for unauthorized payments and transfers made using the passwords you assign that occur before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice.**

### **B. Linking Accounts of Additional Businesses**

If you also are authorized to enter into an Agreement for the Online Banking service for another business, and if you want to link the accounts of the other business to the accounts covered by this Agreement, you will need to agree separately to this Agreement for each other business. Upon doing so, you may link the accounts of the businesses so that you may elect, at your risk and that of the businesses, but not of the Bank, to use a common Internet User ID and password for Online Banking for all linked accounts. You should do this only if you are authorized to link the accounts of the different business and to use all the functions of Online Banking for each business. You further agree to inform Lowry State Bank if your authority over any linked account decreases. Lowry State Bank is not liable if your authority over any account decreases until it is informed of the change in authority using the "Notice" requirements of this Agreement.
